# RE-INVENTING THE REEL

**INTRODUCING TCC'S CUSTOM REEL.**  
A NEW TYPE OF REEL THAT IS COMPETITIVE WITH  
WOOD AND INJECTED MOLDED PRODUCTS.  
**LESS BULK. SMOOTHER CORE.**

**COST EFFECTIVE:** Made from durable polypropylene and different core materials depending on the application, TCC's Custom Reels are generally more cost effective than wood, metal or other competitive reel products.

**LIGHT WEIGHT:** Compared to wooden reels, TCC's reels are much lighter and easier for your team to handle.

**CUSTOM SIZES:**  
TCC can tailor the size and capacity of our reels to your specific product and branding needs.

**SMOOTH CORE | LESS PRODUCT DAMAGE:**  
TCC's smooth, round cores eliminate cable kinking and damage. Diameters can be customized to your product's application.

**RECYCLABLE:** Depending on the final structure, TCC's Reels are usually made from recyclable materials making them more sustainable and easier to dispose of.

*Patent pending.*
